remember to collect your tickets from the box office if you haven't already received them. you might need to wait in a queue.

while you're here, you might need to use the bathroom. look for this symbol to find the bathroom.

you might also want to get
some food or a drink.

tipping point is on in the spaghetti circus big top. you may need to queue before you go inside.

an usher will check your ticket at the door to the spaghetti circus big top.

inside there are lots of seats to sit on.

the show starts when the lights
will dim - but it won't go too dark.
five people will come on stage.
their names are alex, emily, nich, steve,
telma. they are called performers.

some other people who will help the
performers are the director, producer
and stage manager. Their names are ali,
charlotte and sophie. you might meet
them before or after the show.

the performers will enter the stage with very long white poles. they will do things with their bodies that you may not have seen before including lots of tricks on the poles.

they will do tricks on the poles
high in the air. but don't worry,
they'll be safe.

they will also do other tricks in the air. but don't worry, they'll be safe.

if the show is loud you can wear headphones or put your fingers in your ears. if you need a break, you can leave the spaghetti circus big top at any time and go to a quiet area outside. we will have a special area for you to go to.

when the show is finished people will clap their hands to say thank you to the performers. you can clap too if you want.

after the show you can exit
the spaghetti circus big top and meet
alex, emily, nich, steve,
telma outside the tent.

when it's time to leave you can exit the
