TENEBRAE

British choir Tenebrae is renowned for its interpretations of choral repertoire from the Renaissance to the present day, and for its core values of passion and precision. Under the direction of Nigel Short (a former King's Singer), Tenebrae has twice secured the award for Best Choral Performance in the BBC Music Magazine Awards, and in 2018 it received its first Grammy nomination. Alongside a busy international schedule, Tenebrae runs a thriving outreach programme in its home city of London.
