Technical Consultant Marc Laliberté

ABOUT THE SHOW

A show by Yamoussa Bangoura, inspired by daily life in Guinea. This performance shares the beauty, youth and artistry of African culture. A colourful show, beyond its scenery, costumes and staging, that will make any theatre vibrate with energy. It represents strength, agility and the joy of life for young Africans. The audience sees our acrobats execute gravity-defying moves and human pyramids, all to the contemporary sounds of afro-jazz, percussion and kora. Welcome to the universe of Kalabanté Productions and prepare for an unforgettable journey.

KALABANTÉ PRODUCTIONS

Kalabanté Productions was created by Yamoussa Bangoura, a multidisciplinary artist of Guinean origin. Yamoussa's long term dream was the founding of a school of circus arts, and to direct his own multidisciplinary company specialising in the African arts. As the company director he develops his own shows, which over the past several years have been increasingly getting attention and recognition in the Quebec circus arts community and worldwide. Kalabanté Productions, based in Montreal, Canada, is proud to be able to share its original work and achievements, and also to assist with the humanitarian mission to help the Guinean community, which Yamoussa and many of his company members come from.
