What is a Visual Story?

A Visual Story is a visual & written accessible guide to assist you with your visit.

Visual stories are used to prepare a person for and increase the predictability of a new environment or situation. This helps bring familiarity to a process and to reduce anxiety and stress.

This guide provides information on how to access the **BullyBully** performance, and what to expect when you arrive and who to ask for assistance.

About Sydney Festival

BullyBully is part of Sydney Festival 2025 program. Sydney Festival is a city-wide celebration of culture and creativity. From the streets to the beach, in stately theatres and in secret basements, it animates locations across Greater Sydney with a free and ticketed program of theatre, music, dance, visual art and live performance.

We welcome all visitors to Sydney Festival events and are committed to making the festival a safe and accessible space for everyone.

I can find out more accessibility information about Sydney Festival on the website:

About BullyBully

BullyBully is a hilarious musical for ages 3+ told in the style of *West Side Story*, with many songs, funny quarrels, a bit of bickering and (eventually) a happy ending.

This joyous show follows two childish grown-ups – lords of their own pink and green kingdoms – on a squabble odyssey. Who can shout the longest? What kind of hissy fit gets your toy back? I'm the king of the castle, so no-one tells me how to run things.

About the Venue

Riverside Theatres is Western Sydney's premier performing arts centre. With over 1,000 events per year.

Check In/Ticking

I will need a ticket to see the show. If I haven't got a ticket, when I arrive, I can go to the Box Office to get a ticket. I will need to wait in a line.

Before the show starts, I might need to wait in the foyer. This is where I can relax with my family or friends until the performance starts.

I can enter the theater doors approximately 10-15 minutes prior to the show starting.

Finding my seat

My ticket will have the door number I need to enter through. An usher will check my tickets and tell me where the door is. Then I can enter the theatre.

Inside the theatre there are red seats. Seats can be accessed from the floor and walking up some stairs.

An usher will help me find the seat that matches my ticket.

I can find a seating map online [Here \(Lennox Theatre\)](#)

Before the performance starts

When the show starts the lights will turn down to make the theatre darker, but it will not go completely dark.

This is now the time I can sit quietly to listen and watch the performance. If I need to talk to my friends or family during the show I can whisper.

I will be seeing a theatre show, not a movie. There will be real people on stage called performers. They might play music, sing, dance or tell me a story. They might wear costumes or make-up. This helps them to tell the story.

What to expect during the performance

The performance takes about 40 minutes with no interval.

Some things I will see and hear during the performance are:

- Colourful sets and props
- Loud music
- Singing
- The performers will be wearing costumes throughout the performance
- The performers will be pretend fighting during the performance

If I arrive late, I will be admitted at an appropriate break in the performance.

I should arrive early to avoid missing the start.

End of the performance

When the show is finished, people will clap their hands. This is to thank the performers. I can clap along if I want to, if it is too loud, I can use my noise cancelling headphones.

When the performance is finished, the lights will turn on and I can exit the theatre at one of the open doors, an usher will be there to help guide the way.

Toilets

I can find accessible toilets inside the venue; they will be clearly marked with a red sign on the outside.

The staff at Riverside Theater can help me find the toilets if I need help.

I should try to use the toilet before or after the performance, so that I don't miss out on anything exciting.

Who will I see, and who can help me?

If I need help, I can ask a Riverside Theatres Front of House Staff Member who be working throughout the performance. They will be able to provide me with information and help with first aid.

I can identify them by their white button up shirt, black blazer and blue tie with the Riverside Theaters name badge.

Quiet Spaces and Hidden Disabilities Sunflower Lanyard

I can access a quiet room by asking venue staff and I can exit the performance at any point if I need to.

Hidden Disabilities Sunflower Lanyard

- The Sunflower is a globally recognised symbol for Hidden Disabilities.
- The lanyard is a way that people with Hidden Disabilities can indicate to staff that they may need extra support, time and understanding.
- If I have a Sunflower lanyard I can bring it with me, and the Front of House Staff are trained to recognise it.
- It is OK if I don't have a lanyard, I can still get help if I need.
